- Ability to stand or walk for long periods of time, traverses rough terrain, work in confined spaces, descend and climb ladders.
- Lift and carry a minimum of 50 pounds
- Ability to hear alarms and audibly and visually identify the presence of a danger or hazard

Job Duties and Responsibilities

The job duties and responsibilities represented in this job description do not imply that these are the only duties to be performed. The employee occupying this position will be required to follow any other job-related instructions and to perform any other job-related duties requested by the General Manager, Superintendent and Board of Commissioners. Specific duties and responsibilities include, but are not limited to:

- Responsible for monthly water meter readings
- Responsible for installing new water meters
- Completing work orders assigned to the field by the Superintendent
- Repairing broken or leaking services, hydrants, mains, valves and meters
- Responsible for taking on-call assignments and responding to emergency requests
- Responsible for painting and maintaining fire hydrants and their surroundings
- Responsible for maintaining meter boxes and their surroundings
- Responsible for maintaining district grounds including the removal of litter and debris
- Responsible for hand digging trenches

- Ability to perform manual labor for extended periods of time
- Ability to lift heavy machinery during the course of normal business
- Ability to operate District equipment and tools
- Ability to provide traffic control for construction projects in the right of way (Flagging Card Required)
- Ability to perform water line locates
- Ability to perform leak detection duties
- Ability to perform routine flushing assignments throughout the District
- Must obtain and maintain an active CPR and first aid training certificate
- Perform other tasks as directed by General Manager or the Board of Commissioners

Other Requirements:

- Understand and work within the scope of authority.
- Observe health and safety regulations.
- Meet schedules and timelines.
- Maintain routine records.
- Work cooperatively with others.
- Communicate effectively verbally and in writing.
- Perform heavy physical labor.

Benefits:

The District values its employees and their families, and we want to make sure you have the resources to stay happy and healthy. For this reason, we provide the following benefits:

Washington State PERS, Long Term Disability, Life Insurance, Deferred Compensation, Medical, Dental, Vision coverage and a monthly contribution to a medical savings account (HRA VEBA).

A competitive Vacation and Sick Leave policy with thirteen Federal and State paid holidays.

Salary Range:

\$53,395 - \$66,744 (annually) with the starting salary negotiable depending on experience and qualifications. Cost of living and step increases are set forth in the union contract.
